By the Telecommunications Access Policy Division, Wireline Competition Bureau:

1. The Telecommunications Access Policy Division has under consideration a Request for Review filed by Miller District #210, Marseilles, Illinois (Miller District).¹ Miller District seeks a deadline extension for a FCC Form 472 in Funding Year 2001 of the schools and libraries universal service mechanism.² Specifically, Miller District requests that the deadline be extended for Funding Request Number (FRN) 761447.³ Upon our review of the record, however, we find that SLD approved Miller District's request to extend the invoicing deadline for FRN 761447.⁴ Accordingly, the Division dismisses Miller District's Request for Waiver as moot.
